## GOLD BREAKS INTO NEW TERRITORY

Gold Krugerrands have once again proved to be one of the best investments of all time.

Here are statistics supporting this statement:

- ◆ +47% January to September 2025 increase
- ◆ +8% April 2025 increase
- ◆ +9% September 2025 increase

Main reasons being:

1. Central banks are buying tons of gold bars each month in support of their economy.
2. The US\$'s declining popularity as the world's universal currency.
3. Ukraine and Gaza wars causing divisions and uncertainty.
4. Gold is tangible, held in safe keeping, unlike cryptocurrencies.
